Towers at Laguna Woods Village Hosted Open House October 27th

The Towers at Laguna Woods Village hosted an Open House on October 27th which was very well attended. In this challenging economy, many people are concerned about their retirement options and this was an excellent opportunity to get all their questions answered regarding the value of high rise living in South Orange County, California.

Attendees learned how the Towers at Laguna Woods Village is an option that more and more retirees are finding to be the answer to their prime concerns. While many struggle with monthly bills, dinner preparation, and boredom, residents of the Towers make one monthly payment for cable, utilities, dinner, housekeeping, and fun. Members can come home to a tidied and cleaned home and dinner laid out with a plethora of options and the views are spectacular!

For a fourteen story building, the Towers remains "a hidden treasure". It is not seen from any neighboring freeway or from most local communities. Yet this treasure is available to a limited number of new Memberships.

The Towers at Laguna Woods Village is the premier active adult community in Orange County, California for those 55 plus and offers the ultimate in affordable, retirement living with all the amenities of a fine hotel and the activities of a California resort.
